Resourceful and versatile filmmaker with a passion for cinematic storytelling, leading diverse film projects from inception to completion, thriving in vibrant, collaborative environments.

## SKILLS

---

*Soft Skills:* Interpersonal Communication, Task-Organization, Detail-Oriented, Screen Direction

*Hard Skills:* Experience with Light, Audio, Camera Equipment, Call Sheets, Adobe Suite, DaVinci Resolve

*Languages:* Fluent in English and Spanish

## EXPERIENCE

---

### Projects

2020 - 2023

#### Cinematography Assistant

- Effectively coordinated with the cinematographer on an *Amazon Originals* series in Mexico, by translating complex directions into Spanish, ensuring detailed framing by the camera operators
- Strategically organized daily shot schedules to enhance workflow and meet production deadlines
- Fostered strong collaborative relationships with production teams, ensuring seamless operations. Skillfully navigated a scheduling conflict by reordering shots to avoid downtime on set, showcasing adept problem-solving and time management

#### Writer / Director

- Directed [\*It Was A Leaf That Fell\*](#), a major short film with a cast and crew of over 50, showcasing strong leadership and project management skills. In addition, successfully led the production of 5 other shorts, maintaining artistic integrity and ensuring completion within budget and schedule constraints

#### London Film Program

- Engaged actively in workshops and masterclasses under the guidance of industry luminary Laura Mulvey, gaining advanced insights into film production techniques
- Excelled in a competitive, semester-long international film production program, playing a pivotal role in multimedia projects, sharpening expertise in collaborative filmmaking and effective communication.

#### Film Websites

- Designed and deployed a fully responsive online personal portfolio that hosts links to my top short film projects – accessible [online](#)

## EDUCATION

---

### University Of Pittsburgh, Pittsburgh, PA

2018 - 2022

#### Bachelor of Arts in Film Production – Bachelor of Science in Computer Science

- Honors and Awards: Summa Cum Laude, GPA: (B.A. : 4.0 – B.S. : 3.9)
- Awarded the Oberbeck Grant of \$4,000 to develop an original film in the summer of 2021. Wrote and led the production of the film, orchestrating on-location shooting for 30+ cast and crew
